**Meet the Mormons** is a feature-length documentary that tells the stories of six members of The Church of Jesus Christ of Latter-Day Saints from around the world. The film will appear in more than 100 theaters across the United States beginning on Oct. 10, 2014. Our goal with this production is to help people understand our faith in a more complete way and to see how the gospel of Jesus Christ leads Church members in their lives. All proceeds from the film will go to charity. The movie is Church produced and First Presidency commissioned. It is entertaining, uplifting, and inspiring. It is not a proselytizing effort, but informative. It is a unique opportunity to share who we really are. All members of our stake are encouraged to request the movie in our area at [meetthemormons.com](http://meetthemormons.com). We can also "like" it on Facebook, share the trailer and other content with others, and attend it when it comes to our area.
